

# Technical Datasheet GHD300

# Positions of all components in the guide rail

## COMPONENT LIST

		
Cover plate	Track	Hanger
		
Motor	Controller	Sensor
		
Belt	Guide Rail	Glass clamp & Floor guides

## Technical Details

- Door configuration : Single-leaf/Two- leaf
- Door leaf weight : 1x300KG / 2x250KG
- Clean open width : 1000-2700mm/2200-3800mm
- Power voltage : AC220V±10 %, 50-60Hz  
AC110V±10%, 50-6
- Power consumption : < 100W
- Opening speed : 300-550m m/s(adjustable)
- Closing speed : 200-550 mm/s(adjustable)
- Hold-open time : 1-10s(adjustable)
- Closed force F : > 100N
- Manual push : < 100N
- Working environment temperature :-20~+50°C
- Humidity range: < 95% relative humidity
- Class of protection (IP Rating) : IP44
